

# DELTA PRE-PACK CO., INC.

**F**or over 60 years the Lagorio Family has built a tradition of quality and excellence. **DELTA PRE-PACK**, founded in 1985, continues that tradition and is here to help you meet your fresh tomato needs 12 months a year. We have a well developed supply chain for supporting our round-the-calendar operations.

Located in the heart of California's fresh tomato region, *Delta Pre-Pack* markets the freshest summer tomatoes available. To provide you with equally high quality winter tomatoes, we have developed close partnerships with growers in various regions of Florida and Mexico.

*Delta Pre-Pack's* extensive line of fresh tomatoes includes mature greens, romas, and grape tomatoes (*one of our most well-known brands is Delta Gold*). All are available in a variety of sizes.

Whether being supplied by our sister company, *Ace Tomato*, or through our many other grower partnerships, *Delta Pre-Pack* provides our customers with customized packaging and service solutions.
